Art Rules

1. Be creative and imaginative and always include the assigned objectives in your art
2. Use your time wisely, most projects must be completed in class
3. When finished with art assignments you may; practice drawing, read a library book, do homework, clean area, memorize UIL art paintings
4. Keep hands feet and objects to yourself and *Only* use art supplies for art assignments
...conservatively!
5. Keep talking and volume to a minimum to help create an excellent learning environment for everyone
6. Take care of personal needs before class; phone calls and texting, bathroom and drinks
