In an effort to introduce more transparency into local spending and debt obligations, Eustace ISD pledges to post details about the entity's bond and debt information on the entity's website no later than one business day after the public notice of the bond election. This information will include details about the bond package(s) up for vote and current outstanding debt obligations including bonds, certificates of obligation and other debt, and the date of the election.

Eustace ISD further pledges to notify the Comptroller's office via email to Transparency@cpa.state.tx.us when the bond election information has been posted to the entity's website. The email will include a link to the bond election information. (Currently, Eustace ISD is not involved in a bond election.)
