Introduction

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are included have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to Coy Holcombe, Superintendent.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. Policy manuals are located at each campus, central office and are available for employee review during normal working hours. District policies can be accessed on line at www.eustaceisd.net.

Board of Trustees

Policies BB series, BD series, and BE series

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, facilities and expansions. The board has complete and final control over school matters within limits established by state and federal law and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Trustees are elected at large and serve 3-year terms. Trustees serve without compensation, must be registered voters, and must reside in the district.

Current board members include:

Board members:	President	Diane Russ
	Vice President	Thomas Frazier
	Secretary	Gary Walsh
	Members	Sonny Hodge
		Bobby Karl Ashton
		Mike Smith
		Billy (Cotton) Walker

The board usually meets the third Tuesday of each month in the High School Library at 7:00 p.m. In the event that large attendance is anticipated, the board may meet at the High School Auditorium. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district's website, www.eustaceisd.net, and the Central Office front door at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a two-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or to consult with attorneys regarding pending litigation.

Employment

Equal Employment Opportunity

Policies DAA, DIA

The Eustace ISD does not discriminate against any employee or applicant for employment because of race, color, religion, genetic information, age, national origin, disability, military status, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

Employees with questions or concerns relating to discrimination based on sex, including sexual harassment should contact the District Title IX coordinator, Dr. Coy Holcombe, Superintendent. Employees with questions

or concerns about discrimination on the basis of a disability should contact the district ADA/Section 504 coordinator, Janice Beasley, assistant superintendent. Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

Job Vacancy Announcements

Policy DC

To the extent possible, announcements of job vacancies by position and location are posted on the district's website, www.eustaceisd.net.

Employment after retirement

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed in limited circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication Employment After Retirement. Employees can contact TRS for additional information by calling (800) 233-8778 or (512) 542-6400. Information is also available on the TRS Web Site (www.trs.state.tx.us).

Contract and Noncontract Employment

Policy DC

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary contracts. Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive probationary contracts during their first year of employment. Former employees who are hired after at least a two-year lapse in district employment also may be employed by probationary contract. The probationary period for those who have been employed in public schools for at least five of the eight years preceding employment with the district may not exceed one school year. For those with less experience, the probationary period will be three school years, with an optional fourth full school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. Campus principals and central office administrators are employed under 2-year term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

Noncertified professional and administrative employees. Employees in professional and administrative positions that do not require certification (such as noninstructional administrators) are employed by a one-year contract that is not subject to the provisions for nonrenewal or termination under the Texas Education Code.

Paraprofessional and auxiliary employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Searches and Alcohol and Drug Testing

Policy DHE

Noninvestigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, work areas, lockers, and private vehicles parked on district premises or worksites or used in district business.

Employees requiring a commercial driver's license. Any employee who is required to have a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements when their duties include driving a commercial vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted when an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs returns to duty.

All employees required to have a CDL that are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs. Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact Henry Carter, Director of Transportation.

Health Safety Training

Policies DB, DMA

Certain employees who is involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, The American Heart Association, University Interscholastic League or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification to the superintendent's office.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

Employees with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's

supervisor. Teachers requesting a transfer to another campus before the school year begins must submit his or her request by March 1st. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Superintendent's office and must be approved by the receiving supervisor.

Workload and Work Schedules

Policies DEA, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation and conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students one day a week when no other personnel are available.

Paraprofessional and auxiliary employees. Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees are not exempt from overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor.

Notification To Parents Regarding Qualifications

Policies DK, DBA

In schools receiving the Title I funds, the district is required by the No Child Left Behind Act (NCLB) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. NCLB also requires that parents be notified if their child has been assigned, or taught for four or more consecutive weeks by, a teacher who is not highly qualified.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under NCLB is sent. In appropriately certified or uncertified teachers includes individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request.

Employees who have questions about their certification status can call Janice Beasley, the Assistant Superintendent.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policies DN series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and ~~get~~ have the opportunity to respond to the evaluation.

Employee Involvement

Policies BQA, BQB

At both the campus and district levels, Eustace ISD offers opportunities for involvement in matters that affect employees. As part of the district's planning and decision-making process, employees are elected to serve on district or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Assistant Superintendent.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for noninstructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Compensation and Benefits

Salaries, Wages, and Stipends

Policy DEA, DEAA

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime*, page 12.)

Salary and wage schedules are reviewed annually and adjusted according to the budgeted amounts approved by the board. All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Business Office for more information about the district's pay schedules or their own pay.

Annualized Compensation

Policy DEA

The district pays all salaried employees over 12 months regardless of the number of months employed during the school year. Salaried employees will be paid in equal monthly, beginning with the first pay period for the school year. Employees that separate after the last day of instruction will continue to receive paychecks through the end of their contract period.

Paychecks

All employees are paid monthly. During the school year, paychecks are delivered to each campus. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization. During summer breaks, paychecks will be mailed or may be picked up at the campus office.

An employee's payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated.

Employees receive their pay on the 25th of each month. If the 25th falls on a holiday or weekend, the employee will receive their pay on the nearest preceding workday.

Automatic payroll deposit

Employees can have their paychecks electronically deposited into a designated account. A notification of 30 days is necessary to activate this service. Contact Debra Meyners at ext. 125 for more information about the automatic payroll deposit service.

Payroll Deductions

Policy CFEA

Automatic payroll deductions for the Teacher Retirement System of Texas (TRS) or Social Security employee contributions are required for all full-time employees. Medicare tax applicable to employees hired after March 31, 1986. Temporary and part-time employees who are not eligible for TRS membership must pay into LSW in lieu of Social Security.

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; higher education savings plans; and savings deposits and loan payments through Texas Trust Credit Union. Employees also may request payroll deduction for payment of membership dues to professional organizations and other voluntary deductions in accordance with administrative procedures. Salary deductions are automatically made for unauthorized or unpaid leave.

Overtime Compensation

Policy DEA

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. All employees are classified as exempt or nonexempt for purposes of overtime compensation. Professional and

administrative employees are ineligible for overtime compensation. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees shall not work over 40 hours weekly without prior approval of their supervisor.

Overtime is legally defined as all hours worked in excess of 40 hours weekly and is not measured by the day or by the employee's regular work schedule. Employees who must work beyond their normal schedule but less than 40 hours per week will be compensated in a straight-time pay or equivalent time off. Employees must work more than 40 total hours in a week to earn overtime compensation. For the purpose of calculating overtime, a workweek begins at 12:01 a.m. Sunday and ends at midnight Saturday.

Employees may be compensated for overtime at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Compensatory time earned must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval as workload permits, or at the supervisor's direction.
- An employee may be required to use comp time before using any other available paid leave (e.g., sick, personal, vacation).
- Weekly time sheets will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor and the Superintendent must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the board of trustees. Employees must submit *itemized* receipts, to be reimbursed for expenses other than mileage.

Health, Dental and Life Insurance

Policy CRD

Group health insurance coverage is available to all full time employees. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Detailed descriptions of insurance coverage, prices, and eligibility requirements are provided to all employees in a separate booklet from the Teacher Retirement System of Texas (TRS).

The insurance plan year is from September 1 through August 31. New employees must complete enrollment forms within the first 30 days of employment. Current employees can make changes in their insurance coverage at the beginning of each school year. Employees should contact the Business Office for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs for dental, disability, catastrophic illness, cancer, additional life, etc. Premiums for these programs can be paid by payroll deduction. The insurance plan year for supplemental insurance benefits is Oct. 1 through Sept. 30. Employees should contact the Business Office for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers' compensation coverage from Texas Association of School Boards (TASB), effective September 1st of each school year. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to your immediate supervisor. Employees who are unable to work due to a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See Workers' Compensation Benefits, Page 14 for information on use of paid leave for such absences.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Business Office.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). For new employees, there is a 91-day waiting period before TRS membership begins. Substitute's not receiving TRS service retirement benefits who work at least 90 days a year are also eligible for TRS membership and to purchase a year of creditable service. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Business Office as soon as possible. Information on the application procedures for TRS benefits is available in the Business Office. Additional inquiries should be addressed to: Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the Web (www.trs.state.tx.us). See page 8 for information on restrictions of employment of retirees in Texas public schools.

Other Benefit Programs

Children of non-resident district employees may attend district schools tuition-free. District employees shall be admitted free to all schools sponsored events.

Leaves and Absences

Policy DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the superintendent for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Use of Leave. Leave is available for the employee's use when enough days have been worked to equal the amount of sick leave taken. However, state personal and local sick leave is earned on an annual basis. If an employee leaves the district before the end of the work year, the cost of any unearned leave days taken shall be deducted from the employee's final paycheck.

Leave must be used in half- day increments. However, if an employee is taking family and medical leave, leave shall be recorded in one-hour increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local leave
- State Sick Leave
- Extended Leave

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification.

Medical Certification. Any employee who is absent more than 5 days because of a personal or family illness must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees on an approved leave of absence other than family and medical leave may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the Family and Medical Leave Act will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is earned at a rate of ½ day per 18 work days. A day of earned personal leave is equivalent to an assigned workday. There is no limit on the accumulation of state personal leave, and it can be transferred to other Texas school districts and is generally transferable to education service centers. There are two types of personal leave: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, emergency, a death in the family, or active military service is considered nondiscretionary leave. This type of leave allows very little or no advance planning and will be granted to employees in the same manner as sick leave.

Discretionary. Leave taken at an employee's discretion ~~and~~ that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a notice of the request 5 days in advance of the anticipated absence to his or her principal or supervisor. Discretionary personal leave will be granted on a first-come, first-served basis. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

- A maximum 10% of campus employees in each job category will be permitted to take discretionary personal leave at the same time.
- Discretionary leave may not last more than 3 consecutive workdays, except with special approval for extenuating circumstances.
- Discretionary leave may not be taken on the following key days: the day before or the day after a school holiday; days scheduled for end of semester or end of year exams; days scheduled for TAKS tests or professional or staff development days.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. Sick leave can be used only in ½ day increments except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers' compensation benefits.

If an employee uses more sick leave than he or she has earned, the cost of unearned sick leave will be deducted from the employee's next paycheck.

Sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

Policy DEC (Local)

Professional employees shall earn an additional two (equivalent) workdays of local sick leave each school year. Local sick leave shall be non-cumulative and shall be taken with no loss of pay.

A professional employee who has exhausted all earned sick leave benefits shall be permitted up to 15 days of extended sick leave to be used in cases involving a single prolonged illness or disability, including pregnancy-related disability for the employee or the immediate family. Extended sick leave shall be granted only upon the written recommendation of the employee's physician and subject to the approval of the Superintendent. The cost of a substitute shall be deducted from the daily pay of the employee whether or not a substitute is employed during the extended leave period.

For more detailed information concerning local leave policy, refer to local policy DEC.

Sick Leave Pool

An employee who has exhausted all paid leave and who suffers from a catastrophic illness or injury or is absent due to the catastrophic illness or injury of a family member of the employee's immediate family may request the establishment of a sick leave pool, to which District employees may donate only state personal leave for use by the eligible employee. If the employee is unable to submit the request, a member of the employee's family or the employee's supervisor may submit the request to establish a sick leave pool.

The pool shall cease to exist when the employee no longer needs the leave for the purpose requested, uses the maximum number of days allowed under a pool, or exhausts all leave days donated to the sick leave pool.

1. In order for a sick leave pool to be implemented, the employees must submit a written request to the superintendent along with a medical certification.
2. The maximum number of days that may be donated by an employee is three.
3. The maximum number of days an eligible employee may receive through a sick leave pool is 120.
4. Days donated to the pool will be drawn at random. Any unused days will be returned to the person that donated the days.

All decisions regarding the establishment or implementation of the District's sick leave pool may be appealed in accordance with the DGBA (LOCAL), beginning with the Superintendent or designee.

Temporary Disability

Certified employees. Any full-time employee whose position requires certification from the State Board of Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary Disability Leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for an extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Superintendent should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to do the job. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is

not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Family and Medical Leave (FML)

Employees who have been employed by the district for at least 12 months, and have worked at least 1,250 hours in the 12 months immediately preceding the need for leave are eligible for family and medical leave. Eligible employees can take up to 12 weeks of unpaid leave each year between September 1st and August 31st of each school year for the following reasons:

- The birth, adoption, or foster placement of a child
- To care for a spouse, parent, or child with a serious health condition
- An employee's serious health condition
- A qualifying exigency resulting from an active military service of a spouse, child, or parent.

Military Family Leave Entitlements. Eligible employees with a spouse, son, daughter, or parent on active military duty and deployed to a foreign country or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their 12-week leave entitlement to address certain qualifying exigencies.

Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings. The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. It also includes a family member who is a veteran with an illness or injury that occurs in the line of duty while on active duty and manifests itself before or after the service member became a veteran. The veteran must have been on active duty during the five years preceding the need for treatment, recuperation, or therapy.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave. Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the district's normal paid leave policies.

Employee Responsibilities. Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or

Benefits and Protections. During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms. Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements. Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities. Covered employers must inform employees requesting leave whether they are eligible under the FMLA. If they are eligible, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility. Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers. The FMLA makes it unlawful for any employer to: interfere with, restrain, or deny the exercise of any right protected under the FMLA; discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

Enforcement. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer. The FMLA does not affect any Federal or State law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300 (a) may require additional disclosures.

Local Family and Medical Leave FMLA Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period *(insert only one of the phrases below here)*.

- beginning on the first duty day of the school year
- from July 1 through June 30
- from January 1 through December 31
- measured backward from the date an employee uses FMLA leave
- measured forward from the date an individual employee's first FMLA leave Begins

Use of Paid Leave. FML Family and medical leave runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or

injury. The district will designate the leave as FML Family and medical leave, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. A husband and wife who are both employed by the district are limited to a combined total of 12 weeks of FMLA leave to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

An eligible employee is entitled to leave to care for an active duty military service member who incurs a serious illness or injury in the line of duty. The service member must be the employee's spouse, child, parent, or next of kin. An eligible employee may take up to 26 weeks on a one time basis to provide care to covered service member.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

District Contact. Employees that require FMLA leave or have questions should contact the Superintendent for details on eligibility, requirements, and limitations.

Continuation of benefits and job restoration. Eligible employees are entitled to continue their health care benefits under the same terms and conditions as when they were on the job and are entitled to return to their previous job or an equivalent job at the end of their leave. Under some circumstances, teachers who are able to return to work at or near the conclusion of a semester may be required to continue their leave until the end of the semester.

Requests for FML. When the need for family and medical leave is foreseeable, employees must provide 30-days advance notice to the district. When the need for leave is not foreseeable, employees must contact the Superintendent as soon as possible. Employees may be required to provide the following:

- Medical certification from a qualified health care provider supporting the need for leave due to a serious health condition affecting the employee or an immediate family member
- Second or third medical opinions and periodic recertification of the need for leave
- Periodic reports during the leave regarding the employee's status and intent to return to work
- Medical certification from a qualified health care provider at the conclusion of leave of an employee's ability to return to work

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits *if the absence exceeds seven calendar days*.

An employee eligible for workers' compensation wage benefits, and not on assault leave, shall indicate whether he or she chooses to:

- Receive workers' compensation wage benefits; or
- Use available paid leave. Workers' compensation wage benefits shall begin when:
 - Paid leave is exhausted; or
 - The employee elects to discontinue use of paid leave; or
 - Leave payments are less than the employee's pre-injury average weekly wage.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

Use of state and/or local leave for death in immediate family shall not exceed three work days per occurrence, subject to the approval of the district.

Jury Duty

Employees will receive leave with pay and without loss of accumulated leave for jury duty. Employees must present documentation of the service and may keep any compensation they receive.

Other Court Appearances

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use paid leave. Other absences for court appearances related to an employee's personal business must be taken as personal leave or leave without pay (if no personal leave is available). Employees may be required to submit documentation of their need for leave for court appearances.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, or reserve component of the United States Armed Forces will be granted a paid leave of absence without loss of any accumulated leave for authorized training or duty orders. Paid military leave will not exceed 15 days each federal fiscal year (October 1–September 30). In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Re-employment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active state military duty (Texas National Guard or Texas State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed in the position they would have held if employment had not been interrupted or reassigned to an equivalent or similar position provided they can be qualified to perform the required duties. To be eligible for reemployment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment to the superintendent's office. In most cases, the length of military service cannot exceed five years, and the employee must apply for reemployment within the period of time specified in law.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the superintendent for details on eligibility, requirements, and limitations.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include an employee appreciation banquet each year and service pins for extended years of service to EISD.

District Communications

Throughout the school year, the central office and campus offices publish newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements.

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss problems or complaints with their supervisors or an appropriate administrator at any time.

The formal grievance process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative grievance procedures are exhausted, employees can bring grievances to the board of trustees. For ease of reference, the district's policy concerning the process of bringing complaints and grievances is reprinted as follows:

PERSONNEL-MANAGEMENT RELATIONS: EMPLOYEE COMPLAINTS/GRIEVANCES

This policy provides employees an orderly process for the prompt and equitable resolution of grievances when a concern has not been resolved. The Board intends that, whenever feasible, grievances be resolved at the lowest possible administrative level. This policy shall not be construed to create new or additional rights beyond those granted by Board policy or law.

DEFINITIONS

For purposes of this policy, "days" shall mean calendar days.

The terms "complaint" and "grievance" shall have the same meaning. A grievance under this policy may include, but shall not be limited to, any of the following:

1. Grievances concerning an employee's wages, hours, or conditions of work.
2. Specific allegations of unlawful discrimination in employment on the basis of sex (including allegations of sexual harassment), race, religion, national origin, age, or disability.
3. Specific allegations of unlawful discrimination or retaliation on the basis of the employee's exercise of constitutional rights.
4. "Whistleblower" complaints.

OTHER REVIEW PROCESSES

Procedures and information regarding sexual harassment by other employees are found at DHC (LOCAL) and information regarding federal nondiscrimination is found at DAA (LOCAL).

An employee's dismissal or nonrenewal may be the subject of a grievance under this policy only if the District does not otherwise provide for a review of the matter.

The following are governed by other review processes and are not subject to this policy:

1. Grievances regarding suspension of a contractual employee without pay: DF series.
2. Grievances regarding termination of an employment contract governed by Chapter 21 of the Education Code: DF series
3. Grievances against a peace officer: CKE
4. Grievances regarding instructional materials: EFA

NOTICE TO EMPLOYEES

The principal of each campus and other supervisory personnel shall ensure that employees under their supervision are informed of this policy.

FREEDOM FROM RETALIATION

Neither the Board nor the administration shall unlawfully retaliate against any employee for bringing a grievance under this policy. [See DG (LEGAL)]

'WHISTLEBLOWER' COMPLAINTS

Employees who allege adverse employment action in retaliation for reporting a violation of law to an appropriate authority shall initiate a grievance under this policy within 15 days after the date the alleged violation occurred or the employee first knew of the alleged violation.

The complaint shall first be filed in accordance with LEVEL TWO, below. Time lines for the employee and the District set out in this policy may be shortened to allow the Board to make a final decision within 60 days of the initiation of the complaint.

GENERAL PROVISIONS

A grievance must specify the individual harm alleged. An employee is prohibited from bringing separate or serial grievances regarding the same event or action. All time limits shall be strictly complied with unless modified by mutual consent. The party incurring them shall pay costs of any grievance.

CONSOLIDATION

When the Superintendent determines that two or more individual grievances are sufficiently similar in nature and remedy to permit their resolution through one proceeding, he or she may consolidate the grievances.

DECISIONS

Announcing a decision in the employee's presence constitutes communication of the decision.

INITIATING GRIEVANCE

Unless otherwise specified in policy, an employee shall initiate a grievance as provided at LEVEL ONE, below.

LEVEL ONE

An employee who has a grievance shall request a conference with the principal or immediate supervisor by submitting the grievance in writing on a form provided by the District. The form must be filed within 15 days of the time the employee first knew or should have known of the event or series of events about which the employee is complaining.

The principal or supervisor shall hold the conference within seven days after receipt of the written request. The principal or supervisor shall have seven days following the conference within which to respond.

LEVEL TWO

If the outcome of the conference at Level One is not to the employee's satisfaction or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to discuss the grievance. The request shall be in writing on a form provided by the District and must be filed within seven days following receipt of a written response or, if no written response is received, within seven days of the response deadline.

The Superintendent or designee shall hold the conference within seven days after receipt of the written request. The Superintendent or designee shall have seven days following the conference within which to respond.

LEVEL THREE

If the outcome of the conference at Level Two is not to the employee's satisfaction or if the time for a response has expired, the employee may submit to the Superintendent or designee a request to place the matter on the agenda of a future Board meeting. [See BE (LOCAL)] The request shall be in writing on a form provided by the District and must be filed within seven days following receipt of a written response or, if no written response is received, within seven days of the response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the meeting.

The Superintendent or designee shall provide the Board with copies of the employee's original grievance, all responses, and any written documentation previously submitted by the employee and the administration. The Board is not required to consider documentation not previously submitted or issues not previously presented.

The presiding officer may set reasonable time limits. The Board shall hear the grievance and may request a response from the administration. The District shall make an audiotape record of the Level Three proceeding before the Board.

The Board shall then make and communicate its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting.

CLOSED MEETING

If the grievance involves the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of the employee bringing the grievance, it may be heard by the Board in closed meeting unless the employee bringing the grievance requests that it be heard in public.

EXCEPTION

However, if the grievance involves a complaint or charge against another District employee or Board member, it shall be heard in closed meeting unless an open meeting is requested in writing by the employee or Board member against whom the complaint or charge is brought.

EMPLOYEE COMPLAINT FORM: LEVEL ONE

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons, including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Employees who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor or appropriate district official. If the campus principal or supervisor is the subject of a complaint, the employee shall report the complaint directly to the superintendent. A complaint against the superintendent may be made directly to the board.

The district's policy that includes definitions and procedures for reporting and investigating harassment is reprinted below:

The District prohibits sexual harassment and harassment based on a person's race, color, gender, national origin, disability, religion, or age.

Employees shall not tolerate harassment of others and shall make reports as required at REPORTING PROCEDURES, below:

SEXUAL HARASSMENT

Sexual harassment of an employee is defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition a of an employee's employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or
2. The conduct is so severe, persistent, or pervasive that it has the purpose of effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

EXAMPLES

Examples of sexual harassment may include, but are not limited to, sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication, or contact.

OTHER PROHIBITED HARASSMENT

Harassment of a District employee on the basis of the employee's race, color, gender, national origin, disability, religion, or age includes physical, verbal, or nonverbal conduct related to these characteristics when the conduct is so severe, persistent, or pervasive that the conduct:

1. Has the purpose of effect of unreasonably interfering with the employee's work performance;
2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Otherwise adversely affects the employee's employment opportunities.

EXAMPLES

Examples of prohibited harassment may include, but are not limited to, offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for work place accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other types of aggressive conduct such as theft or damage to property.

REPORTING PROCEDURES

An employee who believes that he or she has experienced prohibited harassment should immediately report the alleged acts to an appropriate person designated below.

Any District employee with supervisory authority who receives notice that another employee has or may have experienced prohibited harassment is required to immediately report the alleged acts and take whatever other steps are required by this policy.

Any other person who knows or believes that a District employee has experienced harassment should immediately report the alleged acts to the appropriate person designated by this policy.

TIMELY REPORTING

Reports of harassment shall be made as soon as possible after the alleged acts. A failure to promptly report alleged harassment may impair the District's ability to investigate and address the harassment.

A District employee may report harassment to his or her supervisor or campus principal. A person shall not be required to report harassment to the alleged harasser; nothing in this policy prevents a person from reporting harassment directly to one of the District officials below:

DISTRICT OFFICIALS

1. For sexual harassment, the Title IX coordinator. [See DAA(LOCAL)]
2. For all other prohibited harassment, the Superintendent.

A report against the Title IX coordinator may be made directly to the Superintendent; a report against the Superintendent may be made directly to the Board.

NOTIFICATION OF REPORT

Upon receipt of a report of harassment, a supervisor or principal shall immediately notify the appropriate District official listed above.

CONFIDENTIALLY

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to contact a thorough investigation and comply with applicable law.

INVESTIGATION OF THE REPORT

The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form.

Upon receipt of notification of a report, the District official shall determine whether the allegations, if proven, would constitute sexual harassment or other prohibited harassment as defined by District policy. If so, the District official shall immediately authorize or undertake an investigation.

If appropriate, the District shall promptly take interim action to prevent harassment during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

The District's obligation to conduct an investigation is not satisfied by the fact that a criminal or regulatory investigation regarding the same or similar allegations is pending.

CONCLUDING THE INVESTIGATION

Absent extenuating circumstances, the investigation should be completed within ten business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

DISTRICT ACTION

If the results of an investigation indicate that prohibited harassment occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the harassment.

The District may take disciplinary action based on the results of an investigation, even if the District concludes that the conduct did not rise to the level of harassment prohibited by law or District policy.

APPEAL

A complainant who is dissatisfied with the outcome of the investigation may appeal through DGBA (LOCAL), beginning at the appropriate level.

The complainant shall be informed of his or her right to file a complaint with the Texas Commission on Human Rights, the Equal Employment Opportunity Commission, or the United States Department of Education Office of Civil Rights.

RETALIATION PROHIBITED

Retaliation against an employee alleged to have experienced harassment, a witness, or another person who makes a report or participates in an investigation is strictly prohibited. A person who makes a good faith report of prohibited harassment shall not suffer retaliation for making the report. A person who intentionally makes a false claim, offers false statement, or refuses to cooperate with a District investigation regarding prohibited harassment is subject to appropriate discipline.

RECORDS RETENTION

Retention of records shall be in accordance with DAA(LOCAL).

ACCESS TO POLICY

This policy shall be distributed annually to District employees. Copies of the policy shall be readily available at each campus and the District administrative offices.

Harassment of Students

Policies DF, DH, FFG, FFH

Sexual and other harassment of student by employees are forms of discrimination and are prohibited by law. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. All allegations of prohibited harassment or abuse of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting suspected child abuse*, page 34 and *Bullying*, page 47 for additional information.

The district's policy that includes definitions and procedures for reporting an investigating harassment of students can be found in the following link: <http://www.tasb.org/policy/pol/private/107905/>

Reporting Suspected Child Abuse

Policy DG, DH, FFG, GRA

All employees are required by state law to report any suspected child abuse or neglect to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g., state agency operating, licensing, certifying or registering facility) within 48 hours of the event that led to the suspicion.

Abuse is defined by SBEC and includes the following acts or omissions:

- Mental or emotional injury to a student or minor that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;

- Causing or permitting a student or minor to be in a situation in which the student or minor sustains a mental or emotional injury that results in an observable and material impairment in the student's or minor's development, learning, or psychological functioning;
- Physical injury that results in substantial harm to a student or minor, or the genuine threat of substantial harm from physical injury to the student or minor, including an injury that is at variance with the history or explanation given and excluding an accident or reasonable discipline; or
- Sexual conduct harmful to a student's or minor's mental, emotional, or physical welfare.

Reports to Child Protective Services can be made to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from retaliating against an employee who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A Misdemeanor. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of Code of Ethics and Standard Practices for Texas Educators.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agencies.

Reporting the concern to the principal does not relieve the employee of the requirement to report to the appropriate state agency. In addition, employees must cooperate with child abuse and neglect investigators. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent of school administrator against the desires of the duly authorized investigator is prohibited.

Child Sexual Abuse

The district has established a plan for addressing child sexual abuse, which may be accessed at *Policy FFG* at [http://www.tasb.org/policy/pol/private/107905/pol.cfm?DisplayPage=FFG\(LEGAL\).pdf](http://www.tasb.org/policy/pol/private/107905/pol.cfm?DisplayPage=FFG(LEGAL).pdf). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

Technology Resources

Policy CQ

The district's technology resources, including its network access to the Internet, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources.
- Has no adverse effect on job performance or on a student's academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees who are authorized to use the systems are required to abide by the provisions of the district's acceptable use policy and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary action. Employees with questions about computer use and data management can contact the district technology director.

Personal Use of Electronic Media

Policy DH

Electronic media includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, MySpace, Twitter, LinkedIn). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for Web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.
- The employee shall not use the district's logo or other copyrighted material of the district without express, written consent.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
 - Confidentiality of student records. [See Policy FL]
 - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See Policy DH (EXHIBIT)]
 - Confidentiality of district records, including educator evaluations and private e-mail addresses. [See Policy GBA]
 - Copyright law [See Policy CY]
 - Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See Policy DH (EXHIBIT)]

This does not preclude employees from setting up and/or using an account to share information among other professionals, parents, or community members. The district encourages, rather than discourages, the sharing of professional dialogue that enhances ones learning. Employees are subject to the confidentiality criteria stated above.

See *Use of Electronic Media with Students*, below, for regulations on employee communication with students through electronic media.

Use of Electronic Media with Students

Policy DH

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may communicate through electronic media with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. All other employees are prohibited from communicating with students who are enrolled in the district through electronic media.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization.

The following definitions apply for the use of electronic media with students:

- *Electronic media* includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), electronic forums (chat rooms), video-sharing Web sites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, MySpace, Twitter, LinkedIn). *Electronic media* also includes all forms of telecommunication such as landlines, cell phones, and Web-based applications.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*; however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who uses electronic media to communicate with students shall observe the following:

- The employee may use any form of electronic media **except** text messaging. Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility.
- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the

purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.

- The employee does not have a right to privacy with respect to communications with students and parents.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, including:
 - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
 - Copyright law [Policy CY]
- Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DF]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through e-mail, text messaging, instant messaging, or any other form of one-to-one communication.

An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.

Criminal History Background Checks

Policy DBAA

Employees may be subject to a review of their criminal history record information at any time during employment. National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the district and SBEC with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

Gifts and Favors

Policy DBD

Employees may not accept gifts or favors that could influence, or be construed to influence, the employee's discharge of assigned duties. Parent and Student Complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling complaints on different issues. Any campus office or the superintendent’s office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teachers or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved should be directed to the campus principal.
