Note to Parents

Eustace High School offers breakfast and lunch on a daily basis. Our menus have been planned to meet or exceed the standards of the National School Breakfast and Lunch Programs. The National School Lunch Program was created to “safeguard the health and well-being of children”. You should encourage your child to choose the most nutrient-dense, power-packed foods. We sincerely hope you will trust us to meet your child’s nutritional needs while at school.

Reduced-Priced Meals

Free or reduced-price meals are provided to students whose families meet certain income criteria. Meal applications are included in student registration packets, or they may be picked up at either the campus office or Administration Office. All applications should be returned to your child’s school. Only one application should be completed for each family, regardless of the number of children enrolled. A new meal application MUST be submitted each school year.

Payments

Payments may be made in the form of cash or check at your child’s school during operation hours. To pay by credit card or PayPal, visit our website at www.eustaceisd.net and use the Parent Access link to Skyward. There is a transaction fee for online payments. Prepayments may be made in all school cafeterias.

Charging

Eustace High School asks that you maintain a positive balance on your child’s meal account. Students will be allowed to charge up to \$5.00. An alternative meal will be provided, when necessary. Charges must be paid in full before a regular meal is offered. Negative balance letters will be sent to notify the household. Parents and guardians may also check their student’s account(s) on Skyward.

Special Diets

If your child has a disability or life-threatening food allergy, the cafeteria will make accommodations as prescribed by the child’s physician. Contact the Child Nutrition Director, at 903-425-5119, for more information regarding special diet requirements.
